

Save Our Yuba State Parks Campaign

Dear Governor Brown,

Please remove the South Yuba River and Malakoff Diggins State Parks from the closure list. We urge you to keep our parks open for future generations.

PETITION – OUR GOAL is to collect 5,000 signatures. The person who collects the most signatures and submits them to the **South Yuba River Citizens League (SYRCL)** by January 12, 2012 will receive a Wild & Scenic Film Festival Weekend Pass (January 13-15, 2012) and **The Grant Farm** will contribute \$250 to the school of your choice for environmental education. For more information, **contact Miriam Limov miriam@syrcl.org.**
